

NOTICE OF PUBLIC MEETING

By Northland Power Regarding a Proposal to Engage in a Renewable Energy Project

Project Name: McCann Solar Project

Project Applicant: Northland Power Solar McCann L.P.

Project Location: The Project is located on McCann Road, northeast of the community of Newboro.

Dated at the Township of Rideau Lakes this the 21st of April, 2011

Northland Power is planning to engage in a renewable energy Project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in this Project and the Project itself is subject to the provisions of the Environmental Protection Act (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to applications being submitted and assessed for completeness by the Ministry of Environment.

This Public Meeting is being held to provide information on the proposed Project. The Meeting will be an Open House format.

Meeting Location:

Date: Wednesday, June 22, 2011

Time: 6:00 pm to 8:00 pm

Place: Portland Community Hall, 24 Water Street, Portland, ON

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this Project is to be engaged in, is a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 10 MW.

Documents for Public Inspection:

The Draft Project Description Report, titled *Project Description Report Northland Power Solar McCann*, describes the Project as a solar electric generating facility that will utilize photovoltaic (PV) panels installed on fixed racking structures. DC electricity generated from the PV panels is converted to AC electricity by an inverter. The voltage level of the AC electricity produced by the inverter is stepped-up to distribution level voltages by a series of transformers.

A written copy of the Draft Project Description Report was made available for public inspection on July 22, 2010 at www.northlandpower.ca/mccann and at your local municipal office. Further, the applicant has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation.

Written copies of the draft supporting documents will be made available for public inspection on April 21, 2011 at your local municipal office, or at www.northlandpower.ca/mccann.
